Taking Space Saving to Extremes

HS-6614W

Space Saving All-in-one POS Terminal

Authorized Distributor / Reseller

V1.1_11112025

The HS-6614W is the new high-end all-in-one POS terminal that runs on Intel processor up to Whisky Lake Core i5. It packs innovativeness and functionality in compact design with stylish look, which is ideal for retail businesses where space is at premium.

14"
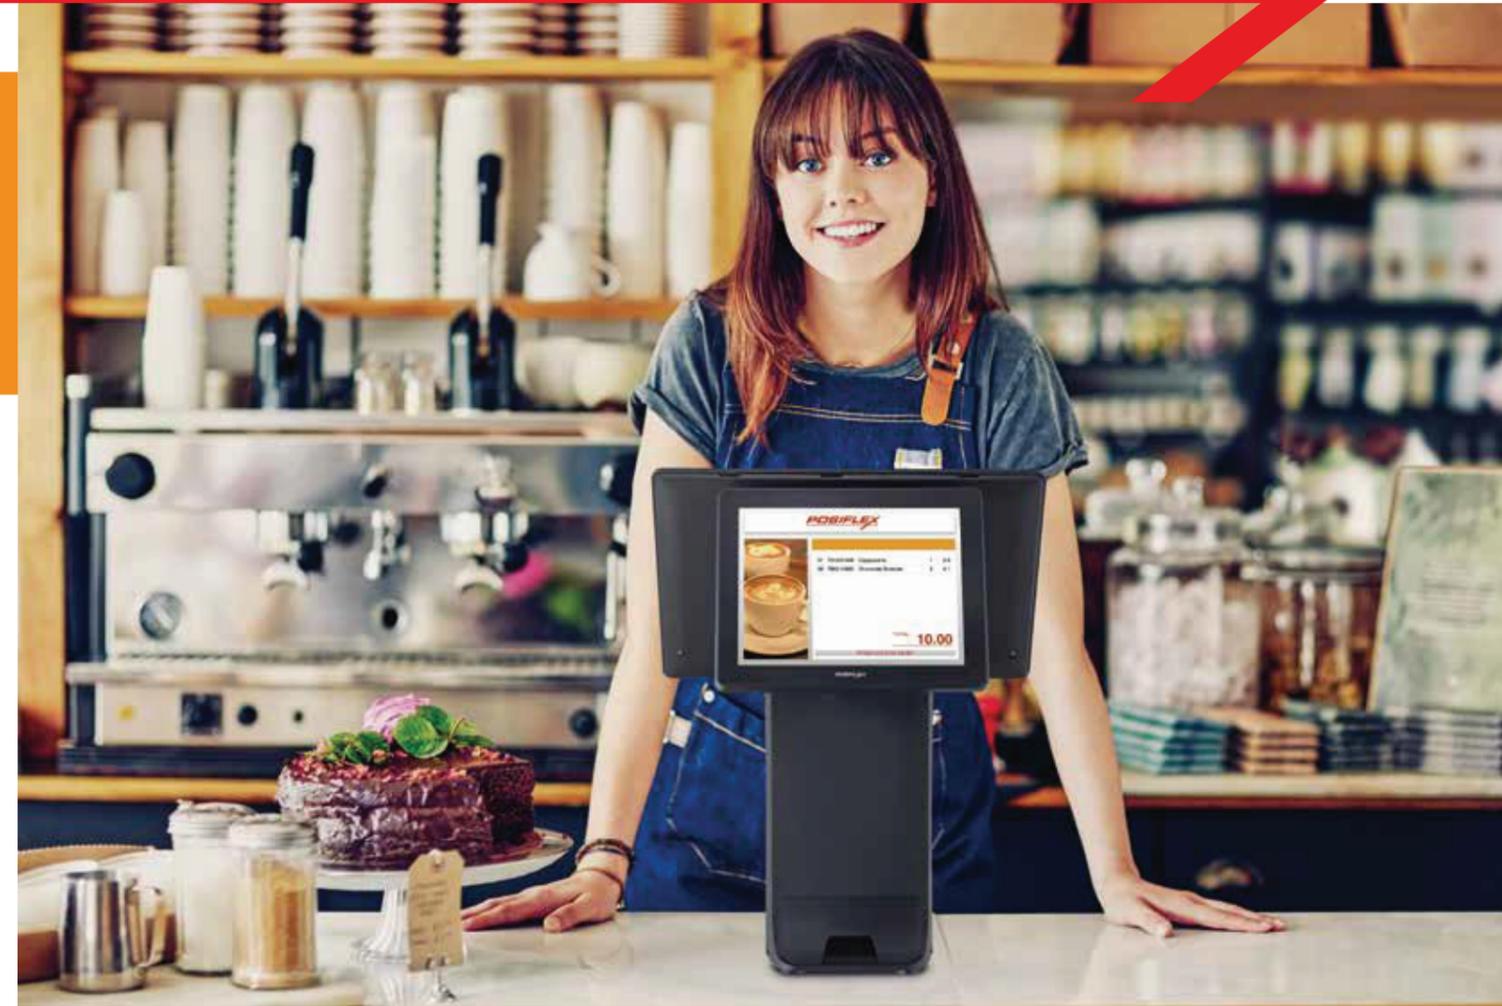

Innovative All-in-one Terminal

This compact all-in-one 14" touch POS comes with a detachable receipt printer for easy maintenance. Add an optional 2D barcode scanner while the printer is on board, making the HS-6614W the most well-rounded all-in-one POS terminal in the market.

Aesthetics

Dressed from head to toe in timeless black or white color, the only trend that never goes out of style, and with stylish touches added throughout, the HS-6614W is not just a piece of machinery, it is an elegantly crafted piece of art that looks right at home in any store decoration.

Integrated Design with Advanced Manageability

The HS-6614W integrates the most widely used peripherals including 3" thermal printer, MSR, fingerprint sensor, 2D barcode scanner and 2nd customer display to support your daily POS operation. The detachable modularized design allows quick access to the components, enabling fast and easy service and upgrades.

Detachable Receipt Printer

2D Barcode Scanner
